## Robert Frost Joins Pengo

Pengo is pleased to announce the appointment of Robert Frost to the position of Director of Business Development for Pengo - Paladin Utility Group, effective May 28, 2010. Robert will join the Pengo sales team and will work to grow our business with all current and new accounts for each product line. Robert will report directly to Dana Scudder, Vice President Sales and Marketing, and will interface with the inside and outside sales team to develop new customers and new product opportunities on a global scale.

Robert has 30 plus years experience in the utility and foundation auger industry. During his career, Robert has been instrumental in developing and designing auger solutions for customers around the world. We intend to leverage this knowledge along with his many other tangible assets to further strengthen our position in the market place.

Pengo is very fortunate to have a person of Robert's professional experience and integrity joining the sales team. Please join us in welcoming Robert and his family to Pengo.
